OUR PRODUCT

Black Sesame

Our finest-grade **Black Sesame** Seeds are a symbol of purity, strength, and rich flavor. Naturally cultivated and carefully processed, these tiny black gems are packed with essential nutrients, antioxidants, and healthy oils. Known for their distinct nutty aroma and deep color, black sesame seeds enhance the taste and texture of a wide range of cuisines — from traditional sweets and bakery items to gourmet dishes and health foods.

White Sesame

Our **White Sesame** Seeds represent purity, taste, and natural nutrition at its finest. Carefully sourced from trusted farms and processed with advanced cleaning technology, these seeds are known for their delicate flavor, rich aroma, and high oil content. Their soft, ivory color and smooth texture make them a perfect ingredient for bakery items, confectioneries, and traditional dishes across the globe.

Hulled Sesame

Our **Hulled Sesame** Seeds are carefully processed to remove the outer husk, resulting in a smooth, white seed with a delicate nutty flavor and rich aroma. These seeds are a symbol of purity and nutrition — perfect for bakeries, confectioneries, and food industries worldwide. Sourced from the finest farms and cleaned using advanced technology, our sesame seeds maintain high oil content, uniform size, and exceptional freshness. Every batch reflects our dedication to quality, hygiene, and international standards.

Moong

Our **Green Moong** Beans are a mark of freshness, nutrition, and purity. Carefully sourced from fertile farms, these naturally green legumes are packed with high protein, dietary fiber, and essential vitamins, making them a staple ingredient in healthy diets across the world.

Known for their mild, earthy flavor and easy digestibility, Green Moong Beans are widely used in soups, curries, sprouts, and health foods. Every batch is triple-cleaned and hygienically processed to ensure consistent quality, purity, and long shelf life.

Chickpeas

Our **Premium Chickpeas** are sourced from the finest farms and processed under strict quality standards to ensure superior taste, texture, and nutrition. With their golden color, large size, and rich nutty flavor, these chickpeas are a popular ingredient in cuisines around the world — from salads and soups to hummus and curries.

Packed with plant-based protein, fiber, and essential minerals, chickpeas offer a wholesome addition to any diet. Each batch is carefully cleaned, graded, and packed to retain natural freshness and purity.

Soybean

Our **Soybean Seeds** are carefully selected from trusted growers to ensure exceptional purity, high protein content, and superior oil yield. Naturally rich in essential amino acids, fiber, and nutrients, soybeans are a powerhouse of plant-based nutrition widely used in food, feed, and industrial applications.

Processed under stringent quality standards, our soybeans maintain their natural color, uniform size, and freshness, making them the preferred choice for global markets.

Coriander

Our **Coriander Seeds** are naturally sun-dried, handpicked, and processed to deliver exceptional aroma and flavor. Known for their warm, citrusy, and slightly nutty taste, these golden-brown seeds are an essential spice in kitchens around the world.

Rich in antioxidants, dietary fiber, and essential oils, coriander seeds not only enhance the taste of food but also support digestion and overall wellness. Each batch is carefully cleaned, graded, and packed to maintain purity, freshness, and long-lasting fragrance.
